

In establishing himself as arguably the world's best stallion, Galileo owes a considerable debt to the descendants of Danzig. More than a third of his many Gr.1 winners are out of Danzig line mares, with the Danehill branch leading the way. Daughters of **DANEHILL** have 12 Gr.1 winners with Galileo.

Magician possessed an admirable combination of speed and stamina. Fast enough to take the Irish 2,000 Guineas by more than three lengths, he later produced great acceleration to take the Breeders' Cup Turf.

The **STORM CAT** line is beginning to rival the success of the fabled Galileo-Danehill cross. Galileo now has ten Group/Graded winners out of daughters of **STORM CAT** and eight of them - Churchill, Clemmie, Decorated Knight, Happily, Misty For Me, Marvellous, Gleneagles and Ballydoyle - are Gr.1 winners. Teofilo, another representative of the Galileo-Danehill cross, sired the Gr.1 2YO winner Loch Garman from a daughter of **GIANT'S CAUSEWAY**. As Happily and the classic winners Marvellous and Gleneagles are out of a sister to **GIANT'S CAUSEWAY**, this is an avenue demanding to be explored. Galileo also sired the classic-winning Seventh Heaven from a fast daughter of **JOHANNESBURG** so mares by **SCAT DADDY** are well worth trying with Magician.

Galileo sired the Epsom Derby winner Ruler of the World and the top-class Ulysses from daughters of **KINGMAMBO**, the Breeders' Cup Turf winner Red Rocks from a mare by **MACHIAVELLIAN** and multiple Gr.1 winner Order of St George from a **GONE WEST** mare. Five of Galileo's Group winners have second dams by **MR PROSPECTOR**. Alternatively, the **ALYDAR** and **EXCLUSIVE NATIVE** lines are worth trying. **ALYDAR** sired the second dam of Galileo's Derby winner Ruler of the World. **MAJESTIC LIGHT** sired the second dam of Galileo's champion juvenile Teofilo.

Three other grandsons of Sadler's Wells have sired five American Gr.1 winners from the **SEATTLE SLEW** line, including the high-class 2017 juvenile Bolt d'Oro and the Kentucky Oaks winner Plum Pretty from **A.P. INDY** mares.

The Danzig line has plenty to offer Magician, including mares by **WAR FRONT**, **HARD SPUN** and **EXCHANGE RATE**.

Galileo's sons have top winners inbred 2x3 and 3x3 to **SADLER'S WELLS**, Magician is an option for **MEDAGLIA D'ORO** and **KITTEN'S JOY** mares who create 3x4 to **SADLER'S WELLS**. Galileo has Group winners from daughters and granddaughters of **NUREYEV**.

Galileo shines with the **ROBERTO** line, siring three Gr.1 winners from **SILVER HAWK** mares.
