

NO NAY NEVER

A young stallion with a strongly linebred pedigree, No Nay Never's pedigree looks to be a very appealing vehicle for outcrossing to a number of lines common in Australasian pedigrees.

DANZIG is also an influence with a proven affinity with Mr. Prospector. His son **DANEHILL** has carried on this tradition, an example being Flying Spur (Danehill out of Mr. Prospector mare). Other Danzig line sires which should suit No Nay Never include **WAR FRONT, LANGFUHR, SNAADEE, BERTOLINI, BIANCONI, CAPE CROSS, INVINCIBLE SPIRIT** (sire of **I AM INVINCIBLE**), **PINE BLUFF, AD VALOREM, ANABAA, BELONG TO ME, CHIEF'S CROWN, ORPEN, DESERT SUN, HARD SPUN** and **PERUGINO** (and son **TESTA ROSSA**) are other examples.

No Nay Never carries four lines to Northern Dancer. His close relation **HALO** offers an outcross sire line. Mares by **DON'T SAY HALO, OREGON, SOUTHERN HALO** and his sons (including **MORE THAN READY** and **DUBLEO**), **SUNDAY SILENCE** and his sons (including, **FUJI KISEKI, GENUINE, KEEP THE FAITH** and **BUBBLE GUM FELLOW**) are suggestions.

Mr. Prospector is triplicated in No Nay Never 3f, 5f x 4m. This world influence has worked well with **SEATTLE SLEW**. He can be sourced via mares carrying **CAPOTE, A P INDY** (sire of **BERNARDINI, CONGRATS**), **AIR DE FRANCE, KHOZAAM** and **NINE CARAT**. He is also prominent in **FRAAR** and **BALMONT**.

Seattle Slew son **CAPOTE** has additional appeal, as he is a half-brother to Exceller, No Nay Never's second damsire. He appears in mares carrying **AGINCOURT, BOSTON HARBOUR** and **DIXIE UNION**.

Exceller is also from the family of **MADE OF GOLD** and **CALIFORNIA DANE**.

The duplication of Nijinsky II in No Nay Never's sire should appreciate the presence of other **TORPENHOW** family members in mares. **REDOUTE'S CHOICE, MANHATTAN RAIN, FAR NORTH, THE MINSTREL, HURRICANE SKY, FREE AMERICA, RULER, DENON, MASTERCLASS, NEW REGENT, EL GRAN SENOR, SPINNING WORLD** and **GIELGUD** are all suitable sires from this line.

No Nay Never's damsire Elusive Quality is from the immediate family of **GOLD AND IVORY, GREGORIAN** and **MUKADDAMAH**.

Johannesburg, Gone West and Aureole in No Nay Never's pedigree are **ALOPE** family members. Other family members to seek in mares to create positive line breeding include **ROUND TABLE** (damsire of **SIR TRISTRAM**), **KNOWN FACT**, **DOUELLE**, **FOXLAW**, **ALCIDE**, **ATAN**, **ABOVE SUSPICION**, **MUKDDAAM**, **SONG OF TARA**, **PARTHIA** and **KNIGHT COMMANDER**. **POMPEII COURT** (damsire of **STARCRAFT**) is also desirable as he carries two **ALOPE** family members in Tell and Round Table.

SIR TRISTRAM has other attributes for No Nay Never. Not only does he contribute Round Table, but his sire Sir Ivor creates a sex balanced duplication. His sire Sir Gaylord meets with a duplication of half-brother Secretariat in No Nay Never. Descendants of Sir Tristram include **GROSVENOR**, **LONHRO**, **KAAPSTAD**, **SOVEREIGN RED**, **MARAUDING**, **EL QAHIRA**, **DON EDUARDO**, **HULA TOWN**, **MILITARY PLUME**, **SAVABEEL**, **OCTAGONAL**, **ZABEEL** and **DR. GRACE**.

No Nay Never should work very well with **BLETCHINGLY**. He is highly compatible with fellow **LADY SUSAN** family member, Danzig (grandsire of No Nay Never). Sources of Bletchingly include **CANNY LAD** (damsire of **REDOUTE'S CHOICE**), **BEST WESTERN**, **BRAVE WARRIOR** (and son **SHOW A HEART**) and **STAR WATCH** (sons **HURRICANE SKY** and **PAUILLAC**).

War Front has worked very well with **ICECAPADE**, producing two Gr.1 winners and a Gr.2 winner from mares carrying this influence. He can be sourced in mares with **CLEVER TRICK** or **WILD AGAIN** in their pedigrees.
