

Shanghai Bobby was the undisputed 2yo champion of 2012, topping the Experimental Free H. by a margin of 3lbs. In the Eclipse Award voting, Shanghai Bobby received 253 of the 254 votes, thanks to a record of five victories from five starts from April to November. After taking the Gr.2 Hopeful S., he recorded Gr.1 victories in the Champagne S. (by five lengths) and Breeders' Cup Juvenile. His sire Harlan's Holiday is a champion sire of 2yo's.

Shanghai Bobby's stallion prospects have been boosted by two other sons of Harlan's Holiday, Into Mischief and Majesticperfection, both of whom sired first-crop Gr.1 winners.

There are very few limitations to Shanghai Bobby's options as Storm Cat will be back in the fourth generation in the pedigrees of his foals, Mr Prospector in the fifth and Northern Dancer even further back.

Goldencents, the first Gr.1 winner by a son of Harlan's Holiday, is out of a grand-daughter of **FORTY NINER** and so is Practical Joke, Into Mischief's other Gr.1 winner. Harlan's Holiday sired the very smart Mendip from a mare by **CORONADO'S QUEST**. Majesticperfection's top-class Lovely Maria has a dam by **THUNDER GULCH**.

Harlan's Holiday has shone with the **FAPPIANO** line siring Classic placed Denis of Cork, plus Graded winners from mares by **UNBRIDLED**, **UNBRIDLED'S SONG**, **RED BULLET** and **EMPIRE MAKER**. Shanghai Bobby has had a \$250,000 first-crop colt out of an **UNBRIDLED'S SONG** mare.

Other branches of the Mr Prospector line to suit Harlan's Holiday include **GONE WEST** (broodmare sire of Gr.2 winner Willcox Inn) and **SEEKING THE GOLD** (Gr.2 winner Annual Report). **MR GREELEY** is broodmare sire of two Graded winners by Harlan's Holiday. A **GRAND SLAM** mare produced Into Mischief's Gr.3 winner Strict Compliance. Another son of Harlan's Holiday has a Gr.2 winner out of a **LEMON DROP KID** mare. Shanghai Bobby's first yearlings included a \$400,000 colt inbred 4x2 to **CARSON CITY** and a \$275,000 filly out of a **GRAND SLAM** mare.

Another branch of the **RAISE A NATIVE** line has worked with Harlan's Holiday. The high-class Majesticperfection has a dam by **WAVERING MONARCH**, while the good Canadian 2yo Bear Holiday is out of a **MARIA'S MON** mare.

SEATTLE SLEW line mares supplied Harlan's Holiday with Graded winners out of daughters of **DONERAILE COURT**, **SLEW CITY SLEW** and **PULPIT**.

Harlan's Holiday has GSW's out of mares by Roberto's sons **SILVER HAWK** and **DYNAFORMER** and grandson **ARCH**.

Harlan's Holiday has Gr.2 and Gr.3 winners out of **DEPUTY MINISTER** mares, which opens the door for **AWESOME AGAIN**, **DEHERE**, **FRENCH DEPUTY** and **SILVER DEPUTY**.

DIXIELAND BAND sired the dam of the 2014 Gr.2 winner Conquest Harlanate and also figures as the sire of the second dams of several good winners by Harlan's Holiday.

Inbreeding to **STORM CAT** through Shanghai Bobby should reinforce his excellent 2yo ability. His first-crop yearlings included a \$575,000 colt out of a **FOREST WILDCAT** mare and a \$380,000 filly out of a **FORESTRY** mare.

Shanghai Bobby's family produced the smart American Lion to **TIZNOW**.
