

VANCOUVER

By top class sire Medaglia D'Oro out of a mare by Danehill, Vancouver has plenty of precedence to ensure that matings can be undertaken with confidence.

As a great grandson of Sadler's Wells, Vancouver should respond well to reinforcement of the **GOODY TWO SHOES** family. Apart from Sadler's Wells' brothers **TATE GALLERY** and **FAIRY KING** (sire of **ENCOSTA DE LAGO**, **FALBRAV** and **HELISSIO**) and three quarter brother **NUREYEV**, influences in mares such as **THATCH**, his son **THATCHING**, **VAL DE LOIR**, **LORENZACCIO**, **MARQUIS DE SADE**, **GEIGER COUNTER**, **YEATS**, **INFLATE**, **WINDSOR SLIPPER**, **FOX MYTH**, **REFORM**, **PERUGINO**, **CAMPO CATINO**, **TOPSIDER**, **FESTIVAL HALL**, **NORTHERN METEOR** and **OPEN DAY** are appealing. **ZABEEL** mares not only carry Nureyev, they also have family member Val De Loir. An **ASHKALANI** mare produced dual Gr 1 winner **GABBY'S GOLDEN GAL** with Medaglia D'Oro.

SIR TRISTRAM line mares will create a sex balanced duplication of Sir Ivor when mated with Vancouver. Sources of Sir Tristram include **KAAPSTAD**, **LONHRO**, **MARAUDING**, **MILITARY PLUME**, **OCTAGONAL** and **ZABEEL**.

Apart from Danehill, Vancouver also carries a duplication of fellow **ALMAHMOUD** family member Northern Dancer. Broodmares carrying other **ALMAHMOUD** descendants such as **HALO**, **ORPEN**, **WAY OF LIGHT**, **MACHIAVELLIAN**, **ESPERERO**, **EXIT TO NOWHERE**, **CANNONADE**, **NUCLEAR FREEZE**, **CATRAIL**, **EAGLE EYED**, **EL MOXIE**, **YOUTHFUL LEGS**, **L'EMIGRANT** and **ARCTIC TERN** provide significant reinforcement for Vancouver.

As Vancouver carries Danehill through a daughter, he is a good candidate to cover mares from the **DANEHILL** sire line, creating a 'sex balanced' duplication. This method of inbreeding to Danehill is the most successful, producing top performers such as Group 1 winners **GUELPH**, **ASTAIRE** and **SOUTHERN LORD**.

SNIPPETS mares offer another line to Tom Fool, to which Vancouver is line bred. In addition, Snippets has worked very well with Vancouver's damsire, Danehill.

The **MR. PROSPECTOR** sire line is very appealing for Vancouver. Not only does this line work very well with his damsire Danehill, but Vancouver's sire Medaglia D'Oro has also nicked well with Mr. Prospector. His Champion daughter **RACHEL ALEXANDRA**, multiple Gr 1 winner **SONGBIRD**, dual Gr 1 winner **MSHAWISH** and a further four of his 14 Gr 1 winners are out of mares from the Mr. Prospector line. Mares by or carrying Mr. Prospector line sires including **FORTY NINER**, **FUSAICHI PEGASUS**, **HUSSONET**,

GONE WEST, RHYTHM, STRAIGHT STRIKE, STREET CRY, SEEKING THE GOLD, UNBRIDLED'S SONG, KINGMAMBO (sire of **HENRYTHE NAVIGATOR**), **E DUBAI, DISTORTED HUMOR, THUNDER GULCH, VETTORI, WOODMAN, FAPPIANO, GEIGER COUNTER** and **MACHIAVELLIAN** are good candidates. Promising Sydney galloper Unbiased is by Medaglia D'Oro out of a **THUNDER GULCH** mare.

Medaglia D'oro has produced Group 1 winner **COFFEE CLIQUE** out of a **ROYAL ACADEMY** mare.

A daughter of **A.P. INDY** has produced dual Gr 1 winner **MARKETING MIX**. He can be sourced via mares by **BERNARDINI, PULPIT, MINESHAFT** and **CONGRATS**.
